Great Job!

- **How do I know it worked?** Look at the bottom of your receipt and you will see how many points your purchase was awarded.
- **Did you Know?** Every year you can vote which school activity you would like to see awarded funds from this program. Usually it occurs after one of our T.C.S. scheduled meetings. Although the T.C.S. board makes the final decision, your vote is considered when they make their final decision.
- **Visit the Food Maxx or Savemart websites** for more information and Money\$ saving coupons. I visited both sites and found several coupons I could print and use.
